Established in 2010, Beijing Jinhuahengyuan Prefab Housing Co., Ltd (JHHY) is a professional company dedicated to the production, R&D, and sales of high-end modular container houses.

The company has been awarded the ISO9001 Quality Management System Certification, Environmental Management System Certification (ISO14001), and an AAA Enterprise Credit Rating.

With six subsidiaries under the JHHY Group, the company boasts over 100,000 square meters of modern production facilities capable of synchronized manufacturing. JHHY is recognized as one of the largest manufacturers in the modular container house industry with a cumulative output value approaching tens of billions.

Over the years, through continuous innovation and practical application by a professional team, the company now holds more than 60 national-level technical patents and operates a top-tier prefabricated modular construction service system, establishing itself as a leading player in the prefabricated modular construction industry.

Competitive Advantages of JHHY

- 1. Designated supplier of modular houses for the Beijing 2022 Winter Olympics.
- 2. 20+ years experience in the industry.
- 3. Four production bases $(100000+m^2)$ equipped with modern facilities and technologies.
- 4. Products span across Asia, North America, South America, Europe and more.
- 5. We provide detailed installation instructions and free remote video installation guidance. If requested, we can also arrange for technical personnel to provide on-site installation guidance.
